# Minister Kim Wells

Continued

As is every day in Bendoc there is something a little different that happens and everything leads to an adventure and the day of the Ministers visit was no exception. It is the usual practice when using the Delegate airstrip to let those in the know, know that there is a plane to land so that if there are sheep grazing they can be moved. However on this occasion the information that was passed on was that the Minister would be arriving in a helicopter.

Therefore there was no one instructed to move sheep that were on the airstrip. This then led to three passes over the strip by the pilot to frighten the sheep away and then finally landing off to the side of the stripe on the fourth attempt. Everyone survived the excitement although two of the team looked a little bit worse for wear when they arrived at the CFA Shed. I am very sure that somewhere in Melbourne on that Friday night at the Pub a very interesting story would have been told of their trip to Bendoc. A little country spice was added to their lives.

*Friendly Welcome  
for the Minister*

# Recipe of Month Caramel Scrolls

## Ingredients

- 2 cups self-raising flour
- 1/2 teaspoon baking powder
- 1 tablespoon caster sugar
- 60g butter, chopped
- 2/3 cup milk
- 1 egg
- 200g Top'n'Fill Caramel
- 1/2 cup sultanas

## Method

Step 1

Preheat oven to 200°C. Line a baking tray with baking paper. Combine flour, baking powder and sugar in a bowl. Using finger-tips, rub butter into flour until it resembles fine breadcrumbs.

Step 2

Whisk milk and egg together in a jug. Make a well in flour mixture. Add milk mixture. Using a knife, mix until dough just comes together. Turn out onto a lightly-floured surface. Knead gently until just smooth.

Step 3

Place a large sheet of baking paper on workbench. Dust with flour. Roll dough out to a 25cm x 32cm rectangle with 1 long end closest to you. Spread caramel over dough, leaving a 1cm to 2cm border along the long edge furthest from you. Sprinkle over sultanas. Starting from the long end closest to you, roll up dough tightly using paper to form a Swiss roll.

Step 4

Cut roll into eight 3cm-thick scrolls. Place scrolls, cut-side up, on prepared tray, allowing 5mm between each for spreading. Bake for 20 to 25 minutes or until golden. Remove to a wire rack to cool.

## Aussie Trivia

- The utility, or as it's called in Australia the "Ute" was invented in Australia by Ford in 1932. The legend has it that a farmer came to Ford, looking for a car that could "Work on the farm all week, and then take the wife to church on Sundays."
- The Heart Pacemaker was invented in the Crown Street Woman's Hospital in Sydney in 1926.

## Junior Jokes

- Question .. Why are cooks mean? Answer.. They Beat Eggs and Whip Cream
- Question .. Why is the sand at the beach wet? Answer.. Because the Sea Weed.

## Jokes

- A panda walks into The Bendoc Hotel and gobbles some beer nuts. Then he pulls out a gun, fires it in the air, and heads for the door. "Hey!" shouts Beever, but the panda yells back, "I'm a panda. Google me!" Sure enough when Beever Goggled the description was, *panda*: "A tree-climbing mammal with distinct black-and-white colouring. Eats Shoots and Leaves."
- After two weeks of feeling very sad about the loss of his dog a farmer decided to put an ad in the lost and found in the newspaper, when there was no response, the farmer's wife asked what he had put in his ad, the farmer answered. "Here Boy"

## Minister Kim Wells Bendoc Visit

A warm and friendly country welcome was given to The Minister for Police and Emergency Service and Bushfire Response Kim Wells last month at the new Bendoc CFA. Wednesday the 22nd of October saw the Minister make a swift but thorough visit to Bendoc and Delegate River Stations along with a catch up with the residents of Bonang and Tubbut. Although this visit was by no means an official opening for the Bendoc CFA it was a good chance for those attending to take a good look around and see how things will work in the future.

The Minister said "It was fantastic to meet local community members from Bendoc and inspect works at the new CFA Station, which is nearing completion".

After discussion with some of those attending the Minister said "As Bendoc is located in a bushfire prone area, this upgrade will provide enhanced facilities for fire-fighters and enhance facilities for fire-fighters and ensure a higher level of protection to volunteers who perform a critical role responding to fires and other emergencies in Bendoc".

"The Napthine Government is absolutely committed to building a better and safer Victoria to ensure Bendoc is better protected from the threat of fires and other emergencies than ever before."

The Minister was also very impressed, as were his staff, with the delicious country cooking provided by the ladies in the community. Well done Helen, Lyn, Denise and Claire. There were even plates full taken to share on the rest of their journey.
