Ellery Walking track cleared

A successful working bee on Mt Ellery Walking Track was held on Saturday November 18th in perfect weather.

The Friends of Errinundra were joined by members of Bushwalking Victoria to make sure the track is easily traversed this summer.

"The bushwalkers came from other parts of Gippsland and as far away as Melbourne," said Friends of Errinundra president Deb Foskey.

"We broke into several groups to cover the entire 2.3 kilometres. At the summit, workers were dismayed to see metal debris on the iconic egg rocks of My Ellery, but it is to be hoped that this is removed soon.

"The added numbers and muscle meant that the entire track was dealt with by late afternoon, when all made their way down to Goongerah Hall for dinner.

CFA News. CFA had their preseason Meeting last Wednesday night and are prepared for the fire season. We will be holding numerous training days with the Light Industrial real fire prop over the next month here in Bendoc. We held a Training day 25th November using the Light/Small Industry Training Prop. 17 members were in attendance using our specialised prop they tackled 2 simulations, one a 45kg gas bottle fire, the second a large electrical motor fire. CFA members carried out extinguishing the fires under controlled supervision.

Members also practiced a simulated burn over drill, where members practiced procedures involved in a tanker being over run by a bush fire. Finally the men undertook a hazardous tree identification course. If anyone is interested in joining the CFA or seeing what we do please contact Jim Stevenson on 0403 196528. Our thanks to the CFA ladies for preparing a wonderful lunch on the day.

"Goongerah Good Foods provided a delicious nutritious meal to tired appreciative participants.

"We were joined by other local people keen to hear Rena Gaborov's presentation on the Greater Glider, one of the vulnerable and endangered species found on the Errinundra.

"The greatest threat to its survival is habitat loss through fire, wild and planned, and logging.

"We went spotlighting on The Gap road and were delighted to spot three individuals high in the trees.

"The following day some hardy walkers and Friends tackled the clearing of Mt Morris Walking Track.

"The efforts of volunteers are essential to maintaining the many walking tracks in the Errinundra and Snowy River National Parks and the small group of Friends ensure that our volunteers from outside the area feel very welcome.

"One walker saw her volunteer work as 'giving back' in appreciation of the wonderful tracks available to her and other bushwalkers who love East Gippsland's wild places," said Deb Foskey.
