With a Christmas buzz in the air-chatter, good will, music, and the smell of hearty food oozed from the Bendoc Hall Sunday 8th.

Giving our organisers a well deserved break, the delicious roasts & vegies meal was fully catered for thanks to the generous donation from the Gippsland Community Foundation.

The GCF is a philanthropic trust, created in 2021 for the people of Gippsland, and through working in partnerships with governments and local organisations benefit the wellbeing of our local communities.

Its with great sadness we hear of the passing of well known Bendoc local David Nichol, whose absence leaves behind a large gap within the local & farming communities. We would like to extend our thoughts & deepest sympathies to Denise and family.

Bendoc Neighbourhood House are planning another Farm/Field information Day in March next year. This will be a 2 day workshop and will involve taking and discussing soil samples from local farms. Please register your interest with dates that may suit and let us know if you would like soil samples taken from your property.

Did you know your community has a HoloLens device?

This wearable headset creates a 'merged reality' environment that can be used to talk to and show people who aren't in the room with you things in ways that help them interact with you.

Free, fun and interactive sessions where you can learn something new and decide if it will be useful to you in the future!

Why would experimenting with the Microsoft HoloLens be of interest to you?
if you're wearing a HoloLens, you could take a tradesperson on a tour of a building so they could quote a job. If you visit the Community Nurse, the Nurse can wear the HoloLens and receive directions from a GP or specialist about how to bind or treat a wound, or zoom in on a skin blemish. These are just some ideas - you may think of more when you try it!

Bendoc Neighbourhood House would like to thank those who participated in the recent Neighbourhood Houses survey.

These surveys assist our funding body Dept. Fairness family & Housing in determining & continuing funding and resources.

There will be another survey coming up early next year & we hope again to receive your support .

A reminder from East Gippsland Council— they will be doing inspections determining fire danger areas & will send out notices if your home is deemed to need fire prevention work

KEEPING OUR PARKS CLEAN

Please be mindful in adhering to the signs on the park bins & do not use for household rubbish. The bins assist in keeping the area clean & need to be available for incidental rubbish for

everyone when using the park & caravan park.

Holiday time ideas

CHRISTMAS PICKLES

Whip up a batch of these quick pickled zucchini and red onions ready to enjoy with your Christmas ham. They're also a delicious addition to a cheese platter,

Ingredients

- 5 medium zucchini
- 1 tbsp salt
- 3 small red onions
- 1 1/2 cups white wine vinegar
- 1/3 cup white sugar
- 6 peppercorns
- 1 tbsp fresh dill sprigs
- 2 bay leaves
- 2 small dried chillies
- 2 tsp mustard seeds

Method

1. Slice zucchini into thin rounds and place in a colander set over a bowl or basin. Sprinkle over salt and toss to combine. Allow excess liquid to drain away.
2. Peel onions and slice into very thin rounds.
3. Place vinegar and sugar in a small saucepan and bring to the boil. Stir until sugar dissolves. Add mustard seeds and peppercorns.

In a one-litre jar or two 500ml jars, layer zucchini and onion until full, adding a few dill sprigs into each layer. Poke bay leaves down the side of the jar, and press the dried chillies onto the top. Carefully pour the hot pickling liquid into the jar over the vegetables. Seal with a lid. Allow to cool, then refrigerate until ready to use.

Notes

Add extra vegetables of your choice— cucumber , carrot, capsicum

Makes a 1 litre jar or two 500ml jars. This quick pickling method results in pickles that are ready to eat the next day. If you want them to last longer than a few weeks in the fridge, you can use sterilised jars.

LAST ENTRIES FOR THE 3rd round of the 'BATTLE OF THE BARDS POETRY/PROSE COMPETITION
 Ps Bards are notorious for breaking rules—if you have some words floating around—send them in, we'd love to read them

A lizard sat basking there that I looked last.
 Now I consider the immediate past
 All around there are thrushes
 There's been sounds in the bushes
 Dragonfly dashes and robins' red flashes
 There's been chuffs' chirps and chorts
 There's been all sorts.
 I hope it got away. Life's shought

ENTRY 9

BIRD

ENTRY 10

It flies high above the beach searching
 For its pray
 Soaring high it sees nothing
 Something catches its trained eye
 Down below a helpless girl
 Diving, swooping, dropping
 The bird drops as if shot and picks up the small
 Child down below on the sand.
 'Ahhh! A faint scream is heard
 But too late for the little girl, up and into the sky.
 Suddenly falling from the birds claws
 The child drops faster and faster untill
 She runs out of sky
 And thumps to the ground
 DEAD!

A big Thankyou to all of our bards who participated in the
'BENDOC BATTLE OF THE BARDS'
 So many of us enjoyed reading your words immensely & many people expressed to us how much they looked forward to the next entries in
